## UGC-Malaviya Mission Teacher Training Centre :

The UGC-Malviya Mission Teacher Training Centre at Iswar Saran PG College has been established in September 2023 under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMNMTT), Ministry of Education, Govt. of India. The UGC-MMTT Centre frequently organizes training programmes to groom faculty for NEP-2020, analytical skills, communication skills, honesty, integrity, human rights, gender sensitization and commitment to social justice. The mission of this UGC-MMTT Centre is to impart comprehensive training for instilling professionalism, competency and humanism in the teachers of Higher Education.

## About the Programme :

The Short-Term Training Programme (STP) on E-content Development and e-Edu-Platforms, organized by UGC-MMTTC, ISPGC, is designed to equip faculty members with essential skills in digital pedagogy. In light of the increasing integration of technology in education, this programme aims to strengthen participants' ability to design and deliver engaging, high-quality e-content. Participants will receive practical training in the use of prominent educational platforms such as SWAYAM, MOOCs, Google Classroom, and

various Learning Management Systems (LMS). The programme also offers insights into multimedia content creation, instructional design, and effective assessment techniques for digital environments. Through interactive sessions led by distinguished experts from academia and tech-industry. The training encourages innovative teaching practices aligned with the learner-centric and technology-driven goals of the National Education Policy (NEP) 2020. This programme not only enhances digital competence but also empowers educators to contribute meaningfully to the transformation of India's higher education landscape. The programme is open to faculty members from all disciplines in higher education institutions.

## Objectives :

The primary objectives of the STP on Digital Economy, E-governance and Society are:

- To understand the conceptual foundations of the digital economy and digital society and their impact on social, economic, and political life.
- To examine e-governance initiatives in India, including Digital India and public service delivery systems.
- To develop awareness of cyber security, data privacy, digital ethics, and digital citizenship in contemporary society.
- To analyze the role of digital technologies such as digital banking, e-commerce, social media, AI, and ICT tools in communication, education, and social change.
- To critically evaluate issues of digital divide, social inclusion, media culture, governance, and the future of digital society from a sociological perspective.
